

## **Terms and Conditions**

The following are the terms and conditions are for the students/ faculty from outside for doing project work in the Division of Molecular Medicine.

1. An application in the prescribed format should be submitted to the Registrar, Regional Cancer Centre. The application should be accompanied by sponsorship letter from the concerned authority or other necessary documents.
2. The candidate should remit the prescribed fee which shall not be returned to the candidate under any circumstances.
3. The candidate will have access to the library reference, canteen and academic forums of the department.
4. An attendance register will be maintained in the division to ensure that the candidate has successfully completed the training period. A post training evaluation will be done before issuing the certificate. Certificate will be issued by the Registrar after getting the concurrence from the Head of the department stating that the candidate has successfully completed the training.
5. The data of the project work done in Regional Cancer Centre cannot be published in any context without the prior permission of the supervisor and the director of Regional Cancer Centre. However the data can be used for submission of their project to the respective college or University. Such reports should include the name of the supervisor and Regional Cancer Centre in the certificate issued by the college/university and the declaration by the student.
